Sailors, Rest your Oars

Lord, these departed shipmates with Dolphins on their chests are part of an outfit known as the best. Make them welcome and take them by the hand. You'll find without a doubt they were the best in all the land. So, Heavenly Father, add these names to the roll of our departed shipmates on patrol. Let them know that we who survive will always keep their memory alive; and also, for all our shipmates currently serving, and those of us still here, and for all our futures.

The Binnacle list includes any of our Shipmates, Families or Friends that could use a little help with good thoughts or prayers. Please keep the Tang Base Chaplain and POC Updated for those that desire to have cards sent.

Base Chaplain : (open), please contact Bob Brady, newsletter editor, with info. (727) 807-1012 , bradyrobert305@gmail.com

Prayer for our brothers and friends in need.

Heavenly Father, we are so helpless. We care so much for our brothers and friends. They are special to all of us. It hurts us to see them suffering. And while we cannot be with them Lord, you be with them please. Be with those who attend them. Comfort those who love them and need them, as well as those who must wait. Amen.

Command Corner
By Commander Jerry Anderson
And Vice Commander Barry Hammond

Hello Shipmates

I want to thank everyone who attended our picnic in May. It was a wonderful event, specifically thanks to Vice Commander Barry Hammond for organizing it and Al Almack for serving as our grill master.

Please be sure to mark your calendars for our next picnic this October.

Our next upcoming event is the 4th of July parade in Kenneth City. I will be pulling the float, but we are looking for volunteers to carry the flag and our banner, as well as additional marchers. I will have room in my truck for any members who are unable to walk the route.

Please let me know if you can participate at our next meeting on June 20th.

Don't forget to vote for our national officers and if thinking about going to the national convention, do soon because the hotel is filling up fast.

Jerry Anderson, Tang Base Commander

From Your Librarian.

Memorial Day gave us the opportunity to remember Pearl Harbor, December 7th, 1941. Also, June 6th was D-Day in WWII.

Some facts about this attack on the United States: The Japanese planes came in two waves and destroyed 188 aircraft and damaged 159. They sank or damaged 18 ships, including 8 battleships. 2,403 sailors and soldiers were killed and 1,178 wounded.

The enemy lost 29 aircraft/pilots, one large submarine, and five midget submarines. This day will never be forgotten or those who gave their lives for the United States of America.

Until next month, see you around the library. Dave Farrugia, Past Commander, National Secretary, and still your Librarian.

Commissioning of two new submarines — USS Massachusetts (SSN-798) & USS Idaho (SSN-799)

The new USS Massachusetts (SSN-798) was commissioned in Boston Harbor in March.

Bob Brady attended the pre-commissioning events and also the Commissioning Ceremony on the container shipping pier in Boston Harbor. It was 29 degrees and windy, but over 2,000 people attended the event. WOW.

The boat had to be tied to a barge between the pier and the boat and had a group of Coast Guard boats with machine guns protecting it on the water side. There were also mobile generators and a lot of cables and gangways that had to be installed. It was quite a sight.

The new USS Idaho (SSN-799) was commissioned in Groton, CT

Bob Brady was also at the commissioning week activities and the Commissioning Ceremony for the USS Idaho (SSN-799) at the Submarine Base in Groton, CT. The events and participation was incredible with over 2,000 participating in many activities for donors and the crew.

The boat was tied up to the pier which has many services and supporting things (power, etc.) as shown in the picture to the right, and the weather was good.

Shipmates

Welcome to our new website, which you can reach at <https://ussvi.org> or <https://ussubvets.org>. Your email address is your username, and you can use the forgot password option to reset your password. The email takes 3-5 minutes to arrive and provides a temporary password, which you should change.

This system is very similar to our old one, except with modern technology. Your role as a Member, Base, District, Region, or National Officer is already configured, so that portion of your onboarding should be seamless. In the upper-right-hand corner, three horizontal lines indicate the menu for the dashboards you have access to. There are menus for Guest, Member, Base, District, Region, or National Officer. We will likely require two-factor authentication for any "Tools Users" in the near future.

Another major feature is to find a base, which is located under advanced search. Here you can find almost any type of search available.

Dues and renewals can be paid online, plus a 3.5% fee from Stripe.

There is a "Bug Report" and a "New Feature/Change Request Report." While we had 39 bug reports during testing, we believe we have resolved 30 of them so far.

Thank you to our testers for Phase III Final Testing: Tom Williams, NJVC, Sharon Walsh, National Officer Manager, Fred Borgmann; Dennis Nardone, Past National Office Managers, Pete Juson, WRD, Rick Mitchell, CRD, Jeff Walsh, NERD, Jim Sandman, National Chaplain, Fernando Borges, SE-5, Jim DeMott, WD4, Brian Bell, WD2, Charlie Murray, Groton Base, Bill Dornik, Mare Island Base, Nick Nichols, Charleston Base, and Ileene Davis Bremerton Base Commander.

Our core Tech Team on this project was Gil Aguilar (Developer), Gerry Smith (Wyoming Base), Bill Stuple (Snug Harbor Base), Nick Sadowy (Gold Country Base), and me (Mare Island Base).

All of our volunteers - Bravo Zulu! Your efforts are a game-changer! **Soon we will have all of the Bugs fixed.**

Please explore our site and enjoy!

Prayer for our Departed Shipmates

Almighty God, our heavenly father, who art our refuge and strength and a very present help in times of trouble. Help us at this time to put our trust in thee, that we may obtain mercy and find grace to see us through our times of sorrow.

We thank thee for the life and love, of our shipmates and we ask that the work they started here on this earth be carried in the hearts and hands of their family and friends. They leave more than just memories.

Help us to go our way bravely. Even though alone and to do our tasks faithfully day-by-day. Make our true love and brotherhood be a constant inspiration to our lives and may their memory live on through us. Grant us peace and strength for the battle of life while it lasts, and rest at the close of day, when work is done.

Father, when we too are tired, and would prepare ourselves to slip beneath the final wave. Grant that we may let loose the moorings and sink slowly into the deep waters trusting like them, to wake with thee.

We commend into your hands of mercy, most merciful father, the souls of our departed shipmates may they be found acceptable in your sight.

They now sail under your orders on their eternal patrol, Shipmates rest your oars, Amen

Hello Shipmates,

Convention attendance and planning updates

The team discussed attendance for an upcoming convention, with George providing an update on convention preparations, including booth setup with two tables, plans for displaying merchandise and auction items, and prize packages including a \$500 first prize. The team confirmed they would promote the convention in American Submariner and upcoming newsletters, with Bob noting his flights were already booked, and the group would finalize details in August.

Ambassador Program Recruitment Updates

Ileene reported sending out Legacy Fund and Plan Giving training to ambassadors, with 8-10 emails bouncing back due to potential security settings. She has recruited four new Charitable Ambassadors since December and plans to create recruitment materials for Base Commanders to help fill remaining ambassador positions. Bob suggested that Ileene attend the District Commanders' meetings to promote the ambassador program, and she agreed after contacting her district commander to request an invite. George mentioned receiving a \$1,000 donation from Gold Corner Base for the Halliday House Fire support fund.

Library of Congress Veterans Project

Library of Congress Veterans Project Jessica reported on her progress with the Library of Congress Veterans History Project, including upcoming presentations at military bases and ongoing efforts to schedule veteran interviews. She raised concerns about spouse interviews, noting that the Library of Congress accepts them only from Gold Star families, and suggested creating a custom disclaimer for these recordings. Ken mentioned a base member who is a Gold Star daughter and would qualify for an interview, and George inquired about the process for uploading completed interviews to the website, with Jessica indicating she had been sending completed packages to Scott and Randy but was not familiar with the technical upload process.

Scholarship Application Updates Discussion

The team discussed updates on several initiatives. Dr. Fickett reported that the scholarship application window closes Monday at 11:59 PM on May 18th, with 372 applications currently in various stages, expected to be around 60% or less of last year's total of 88 applications. The group noted a lack of vocational scholarship applications this year, with Bob suggesting they could learn from successful submarine veterans who pursued trade careers and work with Jessica on PR efforts to better Page 4 of 5 promote vocational options. George mentioned connecting with John Martin, a former submarine machinist mate who became a cabinetmaker, to share his story of transitioning to civilian trades.

Groton Club facilities and funding

The meeting focused on updates and discussions regarding the Groton Club's facilities, financial situation, and various initiatives. Charlie reported on ongoing security issues with the front door and plans to pursue funding for a third bathroom and building improvements, including insulation and potential solar panels. The club is experiencing a decrease in donations, prompting efforts to seek additional funding and sponsorships.

USS TANG (SS-306)

CDR R. H. O'KANE, USN, COMMANDING OFFICER

Lost
24 October 1944

The exploits of *Tang* are legendary in submarine history. Under the bold leadership of CDR Richard H. O'Kane, *Tang* executed five brilliant patrols, sinking 24 ships for a total of 93,824 tons. *Tang's* rescue of 22 downed naval pilots off Truk Lagoon during her second war patrol made headlines and proved the value of submarine life guard duty. It was not the enemy but fate that finally ended *Tang's* career. Patrolling the Formosa Straits, *Tang* had already sunk seven enemy ships, when on 24 October 1944, she launched a nighttime surface attack on an enemy transport. Only two torpedoes remained on board. The first of these was fired and when it was observed to be running "hot, straight and normal", the second and last torpedo was loosed. It broached, curved sharply to the left, and circled. Emergency speed was called for and the rudder was thrown hard over, but the torpedo struck *Tang* in the after torpedo room. The explosion was catastrophic. People as far forward as the control room received broken limbs. The nine men topside were catapulted into the sea as the after three compartments flooded and *Tang* quickly sank by the stern in 180 feet of water.

One officer escaped from the flooded conning tower. The remaining men on board assembled in the forward torpedo room to escape. The escape was delayed by a Japanese escort vessel, which dropped depth charges and started an electrical fire in the forward battery. Thirteen men escaped from the forward torpedo room, and using Momsen Lungs, ascended 180 feet to the surface. By the time the last made his exit, the heat from the fire was so intense that the paint on the bulkhead was scorching, melting, and running down. Of the 13 men who escaped, only eight reached the surface and of these only five were able to swim until rescued. By morning just nine survivors including O'Kane remained to be pulled from the water by a Japanese escort vessel. They were imprisoned for the duration of the war, but lived to tell the story of their 78 shipmates' final battle aboard *Tang*. *Tang* is one of only two American submarines to twice receive the presidential unit citation, and her skipper CDR Richard H. O'Kane, earned the nation's highest award for valor, the Congressional Medal of Honor.
